Stacey Cambell is known around the world for a strong prophetic and teaching ministry and was used by God to correctly prophesy to Cardinal Bergoglio of Argentina (later Pope Francis) that he would become the next Pope! She and her husband have also founded a mercy organization for children at risk called "Be A Hero." As conference speakers, they have ministered in over 60 nations, labouring to see revival and social justice transform the world. The Campbells have five grown children and live in Kelowna, B.C., Canada.

Fr. Daniel Ange is a holy and luminous Belgian Priest radiating the joy and love of God. Having lived as a hermit for many years he received a call to evangelise. As well as his wonderful inspiring preaching and truly beautiful celebration of holy mass, Fr Daniel will lead a Eucharistic Healing Service for spiritual healing on Sunday. Still spending half his time in prayer he has a worldwide ministry of preaching, is the author of many books and leads Jeunesse Lumiere, a ministry discipling young people in prayer and evangelisation.

Dr. Jonathan Oloyede was born in Britain but brought up in Nigeria. Jonathan is a medical doctor called as a missionary to England and Europe. A convert from Islam he was ordained into Pastoral Ministry in 1993 at Glory Bible Church. Jonathan is the key catalyst for London's Global Day of Prayer and the National Day of Prayer and Worship. He is a passionate and warm speaker, popular at conferences across the country and internationally. His vision is to see the United Kingdom saturated with prayer. Jonathan is married to Abbi and has two children.

Damian Stayne is the founder of Cor et Lumen Christi Community. An inspiring and dynamic preacher Damian has ministered to hundreds of thousands in five continents while the Lord confirms his preaching with wonderful physical healing miracles and powerful encounters with the Lord's love and glory in the power of the Holy Spirit.
