

*"to become the heart and light of christ
through divine communion"*

Cor et Lumen Christi Partners

Dear friends,

Thank you so much to those of you who gave so generously towards our roof appeal. With your support, financial and spiritual, we managed to raise all the funds we needed. The roof is now near completion and looks amazing!

In this world-wide health crisis, we have had to postpone or cancel all our planned events, so now we have no income, apart from what our partners give. Currently, that is not enough to cover our basic needs, let alone further our mission.

Our partners give to us on a monthly basis, providing some of the basic regular funding we need to fulfil our two fundamental callings from God: our common residential community life, and our mission to the Church and the world.

We are continuing our life of work, community life, prayer and liturgies, whilst obviously complying with the social distancing guidelines given by the government.

Over the next couple of weeks we are developing new ways of reaching people at this difficult time through social media, offering **online prophetic ministry and teaching**. We are also offering our **Evening Prayer daily for coronavirus victims**, their families, the health service, the elderly and all those in isolation, and anyone else who is in need of prayer at this time of global crisis.

We are very grateful to all our existing partners, who support our life and mission financially and spiritually.

**If you believe in our community life and mission;
If you want to support our work for the good of the Church;
If you want to make an investment in God's Kingdom
- please consider becoming a Cor et Lumen Christi partner.**

Please see details overleaf of how to become a Cor et Lumen Christi partner.

Yours in Christ,

Niklas Carlsson, Prior, Cor et Lumen Christi Community, Wigton
